

## 16. NEIGHBOURHOOD WEEK 2001

A report on the 2001 programme and a proposal for the future administration of the event was considered and the Board **decided** as follows:

1. That rather than continuing with the Joint Board Committee, each Board pursue their own Neighbourhood Week initiatives.
2. That the Unit responsible, be requested to ensure that any city wide promotional campaign be co-ordinated as a prelude to the 2002 event.
