

6. WORKS TRAFFIC AND ENVIRONMENT COMMITTEE - REPORT OF 4 DECEMBER 2001

Consideration was given to the report and various outcomes from the Committee meeting and the Board **decided** as follows:

6.1 **Draft Regional Land Transport Strategy – Board Response**

The Board noted that the Committee had been empowered to formulate a Board submission on the draft strategy to Environment Canterbury.

6.2 **Weston Road – Proposed Traffic Calming**

The Board noted that the Board Chairs (Fendalton/Waimairi and Shirley/Papanui) were to convene an update meeting with resident representatives and that steps were to be taken to seek to bring forward the kerb and channel renewal for Weston Road.

6.3 **2002 Committee Meetings Schedule**

Information was **received** on the Committee's meeting schedule for 2002.

6.4 **General Issues**

The Board noted the list of matters identified to be addressed progressively by the Committee over the next three year term.
