

2. STRUCTURE ON STREET APPLICATION 39 CLIFTON TERRACE

Officer responsible City Streets Manager	Author Weng-Kei Chen, Asset Policy and Asset Renewal Engineer, DDI 371-1655
Corporate Plan Output: Activities on Streets 9.5 funding.text.7	

The purpose of this report is to report to the Council on a recommendation that it commence legal procedures to stop a parcel of road occupied by the property owner of 39 Clifton Terrace as shown on the attached Plan A1 and 22824/2. The Hagley/Ferrymead Community Board received a report seeking the Board's approval for two structure on street applications on Clifton Terrace at 39 and 205 Clifton Terrace respectively. The Board has delegated authority to approve these and has given that authority. Please refer to clause 22.

However, also contained in that report was a recommendation seeking the commencement of legal procedures to stop the parcel of land occupied by the property owner of 39 Clifton Terrace.

Officer

Recommendation: That the Board recommend to the Council that at a later date it commence legal procedures to stop the parcel of road occupied by the property owner when requested at 39 Clifton Terrace as shown on Plan A1.

Board

Recommendation: That the Council **not** commence legal procedures to stop the parcel of road occupied by the property owner, when requested.
