

## 5. YOUTH INITIATIVE FACILITATORS REPORT

A report was **received** from the Youth Initiatives Facilitators prepared on the work they have done in the last six months.

The Board **decided**:

1. That the recommendations of the report be referred to the Board's Community, Policy and Finance Committee.
2. That the Board confirm its support for a youth facility in the capital works schedule and that the Youth Initiatives Facilitators work with the youth to identify project plans and costings.
3. That the Youth Initiatives Facilitators be complimented on the work done so far and that the Community Advocate and Community Development Adviser be thanked for their initiative to approach this issue in this manner.
