

3. EXPECTED OUTCOMES OF THE PARKS, GARDENS AND WATERWAYS COMMITTEE

The Committee **received** a report on outcomes developed at its November committee meeting which it expected to achieve over the next three years.

The Committee requested the inclusion of maintenance of cemeteries, and development of the Botanic Gardens, as specific focus areas. The development of a partnership with Transit New Zealand in respect of co-ordination of landscape works was also considered a priority.

The Committee **agreed** that a further report would be brought back to its March meeting which would include expected outcomes, objectives and timeframes for development.
