

10. PROTOCOL FOR INPUT OF STANDING COMMITTEES TO BUDGET SCRUTINY REVIEWS

The Committee **received** a report from Chris Kerr, Business Process Manager, which set out a protocol for the working relationship between the Budget Scrutiny and Audit Special Committee and Standing Committees.

The Committee **decided** to support the adoption of the protocol, subject to a meeting of the chairs of Standing Committees and the Budget Scrutiny and Audit Special Committee being held before the Council meeting of 28 February 2002. This meeting is considered essential to clarify aspects of the protocol.

Councillor Keast requested that her vote against the above decision be recorded.
