

1. DEPUTATIONS BY APPOINTMENT

2. OPAWA/ST MARTINS PLUNKET TOY LIBRARY

Chris Payne and Yvonne McDonald from the Opawa/St Martins Plunket Toy Library attended the meeting for discussions on an application for funding to assist with building an extension to the present toy library, by way of a 6.5m x 5.4m garage. The representatives provided further information and answered questions.

In signalling its support to the objectives of the Plunket Toy Library, the Board **decided** to request the Property Unit to investigate alternative options to the above proposal. The Board also requested that the necessary consents/approvals and costs be researched in tandem with the investigations.
