

16. SYDENHAM MAINSTREET

Andrew Craig, Urban Design Landscape Architect, spoke to his report which updated the Board on the Sydenham Mainstreet Concept.

The Board **resolved**:

1. That the Sydenham Mainstreet Concept Plan be adopted in principle.
2. That a Sydenham community forum be held to discuss the development and subsequent implementation of a Sydenham Enhancement Strategy covering the Sydenham Mainstreet concept and other relevant issues.
3. That the forum be held at the Sydenham Heritage Church.
4. That the matter of security and vandalism in Colombo Street be also raised at this forum, if still an issue.
5. That if, in the opinion of the Legal Services Manager, the Council resolution of 24 May 2001 restricts the Board from providing funds towards the upkeep of the church, then steps be taken to have the resolution amended.
