

## 10. PROPOSED NEW ROAD AND RIGHT OF WAY NAMES

A report from the Subdivisions Officer sought the approval by the Board of names for seven new roads and two rights of way. The Board **resolved**:

1. That the names Falconridge Place, Wildhawk Place and Ironwood Lane for the Birkdale Drive subdivision be approved.
2. That the Board require Brian Gillman Limited to resubmit the name proposals for the Prestons Road subdivision with at least one street named from the list of approved Maori street names.
3. That the name Linkwater Way be approved.
4. That the name Bottle Lake Drive be approved.
5. That the Board request the Regulatory and Consents Committee:
  - (a) To review the current policy for the naming of roads and rights-of-way (providing the proposal from Brian Gillman Limited by way of example).
  - (b) To consider the option of the Council being more proactive in suggesting appropriate road names which can then be forwarded to the Board for approval together with the developer's comments.
  - (c) To consider otherwise delegating the naming of roads and rights-of-way to the appropriate Council staff.

[Carole Evans requested that her vote against resolution 2 be recorded.]
