

2. DEPUTATIONS BY APPOINTMENT

2.2 PARKLANDS UNITED SPORTS CLUB

Paul Diver and Debbie Gillam from the Parklands United Sports Club were in attendance to speak in support of an extension to the hours of the Club's liquor licence. They noted that the Club had originally sought an extension in its hours from 11.00 am to 11.00 pm seven days per week. However, the Club now sought an extension to cover Friday nights when touch rugby is played. They confirmed that the Club does not permit drinking outside of the building.

The Board's decision is recorded under Part C, clause 11 of this report.
