

### 3. **PARKS AND WATERWAYS CAPITAL PROGRAMME 2001/2002 - PROGRESS REPORT**

Information was **received** on the progress made to date in implementing the Unit's capital programme in the Board's area for the 2001/02 period.

The Board also **decided** that Sally Buck continue to work with staff from the Parks and Waterways Unit as a prelude to new playground proposals coming before the Board via the Works, Traffic and Environment Committee.

The Board extended its thanks to the Unit for the Parks and Waterways work being undertaken in the Fendalton/Waimairi community.
