

14. ROSSALL STREET AND OFFICE ROAD – KERB AND DISH CHANNEL RENEWAL

The Area Engineer reported on the feedback received regarding the intended kerb and channel renewal in Rossall Street and Office Road.

The Board **resolved**:

1. That the work in Rossall Street and Office Road as shown on the two plans be approved and that tendering and construction proceed.
2. That a Give Way control be installed in Office Road at Rossall Street.
3. That the stopping of vehicles be prohibited on:
 - (a) The north side of Office Road commencing 110m from the eastern projected kerb line of Rossall Street extending in an easterly direction for 55m.
 - (b) The south side of Office Road commencing 500m from the eastern projected kerb line of Rossall Street extending in an easterly direction for 27m.
