

## 11. BEVERLEY PARK – VEHICLE ACCESS EASEMENT

The Board considered a report by the Parks and Waterways Manager on an application from Ms T Harvey and Mr J Nichols, who own the property at 36 Gilby Street adjacent to Beverley Park, for an easement in their favour across part of Beverley Park from Te Orewai Place.

The Board **resolved** to consider this report with the public excluded, to prevent damage to the public interest (see clause 22) but subsequently resolved that the decision reached with the public excluded be recorded in the open section of the Board's report.

The Board **resolved** that the application for a registered easement be declined.

(Note: Yani Johanson abstained from voting on this resolution.)
