

## 12. REQUEST FOR A MEMORIAL SEAT IN HEATHCOTE VALLEY RESERVE

The Board considered a request from Peter Bigelow, Heathcote resident to have a memorial seat installed in a reserve at the junction of Port Hills Road, Martindales Road and Railway Terrace. The report also recommended that an oak tree be planted on the same site replacing an 80 year old oak tree felled in a recent storm.

The Board **resolved**:

1. That approval be given for the installation of a memorial seat with costs to be met by Peter Bigelow.
2. That a replacement oak tree be planted by the Parks and Waterways Unit.
