

#### 4. **PARKS AND WATERWAYS CAPITAL PROGRAMME 2001/02**

The Board was in receipt of a schedule giving details of progress on capital works, as at 20 June 2002.

Over 50 works were listed, ranging from a minor park enhancement project (\$5,000) to the sports field development on the Halswell Domain Extension (at \$95,000) and the Templeton stormwater drainage scheme of \$250,000 plus.

The Board **received** the information.
