

### 3. 40 KM/H SCHOOL SPEED ZONES

A report from the City Streets Unit's Schools Advocate listed several proposed sites for trial 40km/h speed zones outside schools, planned to be in place at the start of the first term of 2003. There was some discussion about pedestrian safety in the vicinity of the Our Lady of Assumption and Hoon Hay Schools in Sparks Road and a request was made that suggestions be sought from these two schools on ways in which the existing pedestrian crossing could be made safer.

The Board **resolved:**

1. That the information be received.
2. That a preliminary investigation be carried out on the installation of traffic signals at the Hoon Hay/Sparks Roads intersection.
