

6. **CORRESPONDENCE ENVIRONMENT CANTERBURY - CHRISTCHURCH BUS FARES AND TICKETING REVIEW UPDATE**

The Committee received a copy of correspondence from Environment Canterbury concerning the review of Christchurch bus fares and ticketing, which advised the amendments since made to their original proposals as a result of the consultation process.

The Committee noted the changes made to the fares structure and **decided** that a letter signed by the Chairman be forwarded to Environment Canterbury expressing the Committee's appreciation for the recognition that had been accorded the concerns expressed by the Council and other parties.
