

14. FENDALTON ROAD – TENDER EXTENSION

The Committee considered a report seeking approval to delegate to the Land Transport Subcommittee consideration of the tenders for the reconstruction of Fendalton Road and recommendation on acceptance of a tender direct to the 25 July 2002 Council meeting.

The report noted that the closing date for tenders had been extended by one week to close on 3 July 2002, which did not allow sufficient time for the analysis of the tenders prior to the Committee's meeting.

Accordingly approval was sought to delegate to the Land Transport Subcommittee, approval to consider the tenders and make a recommendation direct to the July Council meeting.

The Committee **resolved** that the Land Transport Subcommittee be given delegated authority to consider the tender results for the reconstruction of Fendalton Road and to make a recommendation on acceptance of a tender direct to the 25 July 2002 Council meeting.
