

9. SUBMISSION BY CANTERBURY WASTE SUBCOMMITTEE ON RESOURCE CONSENT APPLICATIONS FOR THE NEW REGIONAL LANDFILL

The Committee received a copy of the draft submission in support of the resource consent applications for the Kate Valley Regional Landfill to be lodged by the Canterbury Waste Subcommittee (CWSC).

As resolved by the CWSC a copy of the draft submission was provided to all shareholder Councils for their information prior to adoption and lodgement by the Subcommittee.

The Committee reviewed the submission on a page by page basis and some minor amendments were suggested to be conveyed to the CWSC for its consideration when approving the final submission prior to lodgement with the Hurunui District Council and Environment Canterbury by 2 August 2002.
