

6. NEW BRIGHTON REVITALISATION REPORT

Officers and members of the New Brighton Taskforce informed the Community Board of the process relating to the revitalisation of New Brighton and how the various parties have come together to work towards a shared vision. The Board **decided** to support the work of the New Brighton Community Taskforce and to expect updates from the Taskforce in the delivery and development of the priorities and strategies for New Brighton renewal including the development of a “Master Plan”.
