

6. DALLINGTON COMMUNITY COTTAGE AND AVEBURY HOUSE

A report from the Community Secretary and the Assistant Community Adviser informed the Board of progress on relocating the Dallington Community Cottage. The report also sought the Board's consideration of a request for funding for Avebury House in light of a rental property being leased to house the Cottage. The Board **decided:**

1. That the information be received.
2. That the Board decline to make a seeding grant to the Avebury Community Trust.
3. That a further report be made to the Board on the action taken to ensure compliance with resource consent and Building Act requirements for the Dallington Community Cottage property at 118 McBratneys Road.
