

3. SOUTH NEW BRIGHTON PARK TREES

A report from the City Arborist informed the Board of the proposed removal of potentially dangerous trees in South New Brighton Park growing adjacent to the boundary with Estuary Road properties to the north and south of Jellicoe Street. The Board **decided**:

1. That the information be received.
2. That the Board support the proposed removal of the plantation trees along the South New Brighton Park boundary within a distance of 25 metres from the boundary to the north and south of Jellicoe Street.
3. That the community be adequately informed of the trees to be removed and the reasons for removal.

[Chrissie Williams requested that her vote against the resolution be recorded.]
