

## **2. PROPOSED PUBLIC STREETS ENCLOSURE POLICY**

The Subcommittee considered a summary of the additional matters raised at the oral presentation by submitters to the Subcommittee on 27 May 2002 and during the Subcommittee's tour of central city and suburban areas on 6 June 2002.

A number of amendments to the draft policy were confirmed and it was agreed that a further meeting of the Subcommittee be held to consider an updated draft of the policy prior to submission to the Sustainable Transport and Utilities Committee.
