CHRISTCHURCH INTERNATIONAL ROWING CENTRE

Mr James Sheehan (President, Canterbury Rowing), and Stewart Mitchell (Christchurch International Rowing Centre Charitable Trust) addressed the Committee on the development of the Lake Isaac International Rowing Lake.

Funding would be sought through local and central government, private sector organisations and other funding providers. It was estimated that the total cost of the project would be in the order of \$20 million plus.

A number of economic benefits were anticipated in terms of hosting international and domestic rowing and triathlon events. A submission for funding from the Council had been lodged through the Annual Plan process.
