

## 11. LICHFIELD/TUAM SWAP

A report from the City Streets Manager provided the Board with information on the proposed Lichfield/Tuam one-way swap project.

The Board **decided:**

1. To support the consultation strategy adopted by the Council.
2. To confirm support for the consultation on the project from 3 June.
3. To request that the Board receive a briefing from the project team towards the end of the consultation process.
