

24. WASHINGTON WAY – PARKING RESTRICTION

A report from the Area Engineer sought the Board's approval for the installation of a loading zone and increasing the P60 parking restriction in Washington Way.

Phillip Donnelly who has a business in Washington Way spoke on behalf of the businesses and property owners. He supported the proposed recommendations, and thanked Lorraine Wilmshurst and Peter Atkinson for the efficient way they dealt with this problem.

The Board **resolved:**

1. That a loading zone with a time limit of 5 minutes be created on the south side of Washington Way commencing at a point 6 metre from its intersection with Gasson Street and extending east for a distance of 12 metres.
2. That the P60 parking restriction on the north side of Washington Way commencing at a point 70 metres from its intersection with Gasson Street and extending in an easterly direction for a distance of 39 metres be removed.
3. That the parking of vehicles be restricted to 60 minutes on the north side of Washington Way commencing at a point 16 metres from its intersection with Gasson Street and extending in an easterly direction for a distance of 84 metres.
