

16. EDGEWARE POOL REIMBURSEMENT OF 'FREE TICKET' PROJECT

The Board received a report from the Community Advocate on the result of the Edgware pool 'free ticket' project. Board members advised that the project made people aware of the pool, and suggested that if the project continues, the boundaries for it be widened next year.

The Board **resolved** to reimburse the Edgware Swimming Pool Committee \$369.30 from 2001/02 Strengthening Community Action Plan funds for the free swim tickets.
