

15. A & P (CANTERBURY PARK) UPDATE

A report by the Parks and Waterways Area Advocates for Riccarton and Beckenham noted some of the preliminary development options for the old A & P site off Curletts Road, and recommended the establishment of a liaison committee to ensure cohesion between Boards in decision-making.

The Board **resolved** to appoint Lynda Carter, Phil Clearwater, Barry Corbett and Elizabeth Maunsell to the liaison committee, with Carole Anderton to be involved as required as the chairperson of the Council's Parks, Gardens and Waterways Committee.
