

10. SECURITY ALARM SYSTEM – SYDENHAM COMMUNITY CENTRE

The Acting Community Secretary reported that a request had been received for funding to install a security alarm system at the Sydenham Community Centre in Hutcheson Street. Three quotations had been received and evaluated by staff of the City Solutions and Property Units.

The Board **resolved** to approve a grant of \$556 from its 2001/02 Discretionary Funds to install a security alarm system at the Sydenham Community Centre, the balance of the cost to come from the Service Centre maintenance account for the community centres.
