

### 13. STRENGTHENING COMMUNITY ACTION PLAN (SCAP)

As requested at the 13 March 2002 special meeting the Acting Community Advocate reported on the costs associated with administering the SCAP Core Group, together with information on the ways that the other community boards had used their \$40,000 SCAP Fund.

It was agreed that the Core Group had been a successful committee and members thanked Phil Clearwater and Oscar Alpers for their input. A letter of appreciation was to be sent by the Board to the Community Advocate, Nick Chapman, and the former Community Development Adviser, Jane Parrett.

The Board **resolved:**

1. To formalise the allocation of its \$40,000 set aside for SCAP projects for 2002/03.
2. That Phil Clearwater and Oscar Alpers continue to be its representatives on the SCAP Core Group and that Paul de Spa be elected as the Board's alternate representative.
