

15. DEPUTATIONS BY APPOINTMENT

Mr Brian Lintott addressed the Committee on behalf of Ferrymead Park Ltd to respond to a staff suggestion for funding the additional costs of the Tamaki Tours project.

Mr Lintott urged the Committee not to reduce Ferrymead's core grant to assist in meeting the funding shortfall. Mr Lintott advised that financially, Ferrymead was working to a very tight budget and that any reduction in the grant would mean that Ferrymead would incur an operating loss.
