

## 10. AGENDA ITEMS FOR FUTURE MEETINGS

The Chairman mentioned his concern at the pedestrian crossing outside the Civic Offices in Tuam Street and the concerns also expressed to him by other Councillors regarding the safety of people using this crossing. In addition Councillor Condon mentioned the problems experienced by wheelchair users and it was agreed that a report be brought to the committee on this matter.

Further matters raised by members for future consideration related to flooding in the pedestrian/cycle under pass under ANZAC bridge and management succession within the City Water and Waste Unit in respect to senior staff.
