

13. HEREFORD STREET – PARKING RESTRICTION

The Committee considered a report from Lorraine Wilmshurst, Area Traffic Engineer seeking approval for the installation of parking restrictions in Hereford Street between Colombo and Manchester Streets.

The report noted that with the establishment of the Christchurch Community House in the former 'Westpac' premises in Hereford Street there is a necessity for the installation of parking restrictions to provide for a loading zone to allow for pick-up and drop-off for clients visiting the Community House and provision of a disabled persons park. The Committee **resolved**:

1. That the loading zone for goods vehicles only with a time limit of 5 minutes on the north side of Hereford Street commencing at a point 90 metres from its intersection with Colombo Street and extending in a easterly direction for a distance of 11 metres be revoked.
2. That a loading zone with a time limit of 5 minutes at anytime be created on the north side of Hereford Street commencing at a point 90 metres from its intersection with Colombo Street and extending in a easterly direction for a distance of 11 metres.
3. That the P60 metered park on the north side of Hereford Street commencing at a point 84 metres from its intersection with Colombo Street and extending in an easterly direction for a distance of 6 metres be created as a park for those vehicles displaying a mobility sticker.
