

8. LOCAL GOVERNMENT NEW ZEALAND TRANSPORT FORUM

The Committee considered a report relating to the above forum to be held in Wellington on 25 June 2002. The intention of the forum was to cover the recent developments and content of Central Government Legislation on transport policy shortly to be introduced and the Minister of Transport, Hon Mark Gosche, would also address the forum.

At the request of the Chairman this item was withdrawn and the Council has since been advised that the forum has been deferred until later in the year in view of the forthcoming general election.
