

1. ITEMS RECEIVED

The Committee **received** the following reports:

1.1 **Establishment of Metropolitan Transport Statement**

Presentation by Stuart Woods (Transportation Policy Leader) on the proposed Metropolitan Transport Statement.

1.2 **Future Path Canterbury Project and Urban Development Strategy**

Report by Mark Bachels (Urban Development Policy Leader) on the progress of the Future Path Canterbury project, and an associated outline of those elements of the project which related to the proposed urban development strategy for metropolitan Christchurch.

1.3 **NZ Planning Institute Conference: 8-12 April 2002**

Presentation by Ivan Thomson (Senior Planner, Planning Policy) on the 2002 NZ Planning Institute Conference. Following a discussion on Ivan's presentation, the Committee also requested staff to report back on ways in which the Council could encourage good urban design through an award system, possibly in conjunction with the NZ Planning Institute.
