

### 3. DEPUTATIONS BY APPOINTMENT

#### 3.2 TE KUPENGA O ARANUI

**Della Paku** was in attendance to provide an update on the work of Te Kupenga O Aranui.

The Trust operates an alternative education programme in Aranui with the support of Aranui High School. It works alongside other support agencies in the community. The Community Board's funding support provides for a family worker position to run out of school programmes and support for students. Photographs of the Trust's programme and letters of support for the family worker's activities were provided to the Board.

Te Kupenga O Aranui is currently based at the Recreation Centre on Hampshire Street. Other groups use the building in the evenings. The building is difficult to work in and hard to maintain. An alternative site may need to be found in the future.
