### PURPOSE OF THIS REPORT

The purpose of this report is to request that the Council appoint two Councillors to represent the Council on an Aranui Community Renewal Steering Group.

### CONTEXT

Aranui Community Renewal was introduced to the Committee as one of the topics presented at a seminar meeting in December 2001.

Prior to the changes to Council Committees last year, representatives of the Community Services Committee's Housing Working Party represented the Council on the Aranui Community Renewal Steering Group.

The steering group composition reflected the three-way community renewal partnership.

The Group comprised:

- The Chief Executive Officer from Housing NZ Corporation (Michael Lennon)
- Chairperson of the Burwood/Pegasus Community Board
- Councillors
- Two representatives from the Aranui Community Committee.

### PROPOSAL

The last Steering Group meeting was held in May 2001. The Community Committee has recently appointed representatives to the next meeting and Housing New Zealand Corporation is now keen to see the Steering Committee reconvened.

It is appropriate to hold another meeting as soon as possible and to set a schedule of meetings to keep the partnership informed and to reassure Housing NZ and the Community of CCC commitment to Aranui Community Renewal.

- Recommendation:**
1. That Councillors Ingrid Stonhill and Chrissie Williams be appointed to the Aranui Community Renewal Steering Group.
  2. That a comprehensive report be prepared to the Community Plans Special Committee on what current and planned projects and other social initiatives are to be undertaken by the Council within the Aranui district.
