

**19. REPORT OF THE WORKS AND TRAFFIC COMMITTEE  
11 FEBRUARY 2002**

Consideration was given to the report from the committee meeting and the Board **resolved**:

1. That kerb and channel be constructed on the north side of Muritai Terrace from the intersection with Major Hornbrook Road for approximately 15 metres and then a white line painted for a width of 1.5 metres to give definition for the length of Muritai Terrace in public ownership.
2. That the vegetation be upgraded and maintained on the south side of Muritai Terrace.
3. That the funding for this come from existing budgets.
4. That the residents of Muritai Terrace be advised of the decisions reached.
