

2. MEETING WITH TRANSFUND BOARD

At approximately 10.15am the Subcommittee met with members of the Transfund Board, to discuss issues relating to:

- Funding
- Off-road cycleways
- Bus Xchange
- Fendalton Road

The views of the Subcommittee regarding the provision of additional funding to Transit New Zealand to allow them to construct off-road cycleways, assistance with the maintenance and expenses of the Bus Xchange, confirmation that funding would shortly be sought for Fendalton Road, and the funding implications for the Council from the new government policy directions were discussed with members of the Board.
