

3. **DEPUTATION: CHRISTCHURCH WEST CITIZENS ADVICE BUREAU (HORNBY)**

On behalf of the Citizens Advice Bureau, Mrs R Marr and Mrs J Woodham addressed the Board, seeking Board funds to employ a part-time co-ordinator.

They stated that 80% of the 91 Citizens Advice Bureaux nationwide are funded for this co-ordinator position through local Councils.

The Board, in thanking the deputation, **decided** to acknowledge the Bureau's involvement and support to the local community, and that the application be considered through its Community Services Committee.

As part of the Bureau's catchment is within the Spreydon/Heathcote Community Board area, it was also decided to seek some funding from that Board.
