

8. SUPPLEMENTARY REPORT

The Chairperson referred to a late report which had been tabled for consideration at the present meeting entitled "Canterbury Radio Control Car Club, New Drivers Stand".

The Chairperson advised that it had not been possible to include the report in the agenda because the required information was not available at that time, but that it was essential that the report be dealt with at the present meeting, rather than being deferred to a subsequent meeting.

The Board **resolved** that the report be received and considered at the present meeting.
