

2. PETITION

BROAD PARK MACROCARPA TREES

A petition was received from residents living near the Broad Park area requesting that the young macrocarpa trees on the east side of Broad Park be retained.

The petition reads as follows:

*“We, the undersigned petition the mayor and the Christchurch City Council to ensure that the young macrocarpa trees on the east side of Broad Park are **not cut down**.”*

The Board **decided** that the petition be referred to the Parks and Waterways Area Advocate for consideration prior to the next Board meeting.
