### **2. FENDALTON/WAIMAIRI COMMUNITY BOARD**

A deputation was received from Mike Wall and Val Carter of the Fendalton/Waimairi Community Board regarding problems being experienced on Yaldhurst rural roads due to boy racers. The Board had resolved that an urgent meeting be arranged with the Police District Commander, the Regional Manager of the Land Transport Safety Authority and representatives of residents from the Yaldhurst area. Mr Wall sought assistance from the Committee in working through these issues with other relevant agencies where necessary, to overcome the current concerns of the community.
