6. RICCARTON/WIGRAM ENVIRONMENT COMMITTEE REPORT OF 16 APRIL 2002 MEETING

The Committee had a presentation on the "Southwest Christchurch Growth Area Public Open Space Brief"; this encompasses a comprehensive integrated planning and design approach to effectively and efficiently allow the staged establishment of public open space in this part of Christchurch.

Update reports were also given on the Upper Riccarton Domain, Owaka Road Inert Landfill, and the Ravensdown Works site.

The Board **received** the information.
