

10. DEE STREET – APPLICATION TO REMOVE ASH TREE

The Board considered a report requesting the removal of a Common Ash tree at 46 Dee Street. The Parks and Waterways Advocate advised that the footpath would be repaired, and that the Parks and Waterways Unit would pay for removal of the small dividing wall, if this was what the two property owners agreed to, to resolve the problem.

It was noted that the comment in the report that there was no tree to the east to disguise the gap, was incorrect.

The Board **resolved** to lay this item on the table pending staff discussing with the two property owners the removal of the small dividing wall.
