

2. DEPUTATIONS BY APPOINTMENT

(d) John Peters – Hoani Street

John Peters, a landlord in Hoani Street spoke to the Board on his idea for traffic calming in Hoani Street. Mr Peters suggested that instead of the Council installing speed humps, perhaps the street should be closed off to form two culs de sac.

Board members advised Mr Peters that this would be a road closure. This would be a very long process. The current proposal was the result of meetings with residents of Hoani Street and surrounding streets.
