

12. PROPOSED ROADING WORKS AT 221 – 229 COLOMBO STREET

A report from the Asset Policy and Asset Renewal Engineer advised of roading to be undertaken as part of the Countdown supermarket development at 221-229 Colombo Street.

The Board **resolved**:

1. That the information be received and appropriate start work notices be given to the affected stakeholders prior to work commencing.
2. That the affected stakeholders include the Neighbourhood Liaison Group as defined in the Environment Court Decision, and the Sydenham Residents' Association.
3. That in approving recommendations 1 and 2 the Board is not to be seen as endorsing the development project.
