

#### 4. URBAN RENEWAL – PAST, PRESENT & FUTURE

A report from the Urban Design Team Leader advised the progress and achievements of the Council's Urban Renewal Programme and discussed what the priorities might be for the future.

The Committee **decided**:

1. That the urban renewal programme update and neighbourhood improvement plans be included in the Urban Development Strategy.
2. That the Committee extend its congratulations to the Urban Design Team for the Nancy Northcroft Planning Award received in recognition of the team's planning-related consultation and public involvement in the Charleston Neighbourhood Plan.
