

8. COMMUNITY SERVICE AWARDS

The Community Advocate (Fendalton/Waimairi) advised the Board of the programme proposed for Community Service Awards in 2003, and proposed a process for considering nominations received, and recognising those who are to receive Awards. The Board **decided**:

1. That the information be received.
2. That the Board consider the 2003 Community Service Award nominations at a Board meeting in June and present the Awards in July.
