

9. DEPUTATIONS BY APPOINTMENT

Safer Christchurch

Nicholas Scott, Chairperson, and Dean Leabourn, Chief Executive, attended to report to the Committee on Safer Christchurch.

The representatives from Safer Christchurch noted there has been a a change in emphasis from one of crime prevention to crime reduction. Safer Christchurch has addressed its membership and structure. The organisation has reviewed the role, functions and relationships of the various groups in the structure. Representation from some organisations is still sought. A management team now exists. A sponsor group was set up comprising the Mayor, the Crime Prevention Unit, local iwi and the Police District Commander. This group will meet twice a year with the management group to discuss the direction and projects of Safer Christchurch. An annual plan has been adopted by Safer Christchurch.
